TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT dated as of December 14, 2012 ("Agreement"), between Canine Hardware Inc. (together with its successors and assigns, the "Grantor"), and Chase Capital Corporation, as collateral agent (together with its successors and assigns in such capacity, the "Collateral Agent"), for the benefit of the Secured Creditors (as defined in the Security Agreement referred to below):

RECITALS:

(1) This Agreement is made pursuant to the Amended and Restated Credit Agreement, dated as of December 14, 2012 (as amended, restated or otherwise modified from time to time, the "Credit Agreement"), among Daskocil Manufacturing Company, Inc., a Texas corporation, and all domestic subsidiaries thereof added as a borrower under the Credit Agreement, as the borrowers (in each case, the "Borrower"), Petmate Holdings Co., a Delaware corporation, certain subsidiaries of the Borrower from time to time party thereto, the lenders party thereto and the Collateral Agent.

(2) In connection with the Credit Agreement, the Grantor is a party to an Amended and Restated Pledge and Security Agreement, dated as of December 14, 2012 (as amended, restated or otherwise modified from time to time, the "Security Agreement"), among the Grantor, the other grantors named therein and the Collateral Agent, pursuant to which the Grantor has granted to the Collateral Agent, for the benefit of the Secured Creditors, a continuing security interest in, assignment of and lien on substantially all of its assets, whether now owned or existing or hereafter acquired or arising.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby covenants and agrees with the Collateral Agent and the other Secured Creditors as follows:

Section 1. Defined Terms. Terms used herein without definition shall have the respective meanings ascribed thereto in the Security Agreement.

Section 2. Grant of Security Interest. As security for the prompt payment and performance of the Secured Obligations, the Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Creditors, a security interest in (whether now owned or hereafter acquired by the Grantor and whether acquired in the United States or elsewhere in the world) all right, title and interest of the Grantor in and to the following, whether now existing or hereafter acquired:

(i) all trademarks, trade names and service marks registered with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);

(ii) all applications for the registration of trademarks, trade names and service marks filed with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);

(iii) all trademarks, trade names and service marks registered with any office, agency or other governmental authority of any State, the District of Columbia or any possession or territory of the United States;

(iv) all trademarks, trade names and service marks registered with any office, agency or other governmental authority of any other country or any province, department or other governmental subdivision thereof;

(v) all registrations and recordings with respect to any of the foregoing;

(vi) all reissues, extensions and renewals of any of the foregoing; and

(vii) all corporate names, business names, trade styles, logos, other source or business identifiers.

Section 3. Reference to Separate Security Agreement. This Agreement has been entered into by the Grantor and the Collateral Agent primarily for recording purposes as contemplated by the Security Agreement, dated as of the date hereof, between the Grantor and any other Grantors named therein, as debtors, and the Collateral Agent, as secured party for the benefit of the Secured Creditors. In the event of any inconsistency between any of the terms or provisions hereof and the terms and provisions of such Security Agreement, the terms and provisions of such Security Agreement shall govern.
